Source: Data provided by the institutions; tuition fees are unadjusted and unweighted; where there is a range of tuition fees in a faculty, the lowest tuition is recorded

n/a: not applicable

¹ Full-time Graduate Student: enrolled in a program of study and makes substantial demands upon the resources of an institution such as enrolling in courses and/or engaging in research or writing a thesis under continuing supervision; excludes professional and applied programs (e.g., MBA, MEd).

² New Brunswick capped the tuition increase for NB students at 2% over the previous year. Université de Moncton increased tuition by 2% for all students. Mount Allison University and the University of New Brunswick provide a rebate to students from NB to ensure their tuition increase is limited to 2%. Saint Thomas University is the exception to this 2% increase rule. There was a prior agreement to allow the university to "catch up" to tuition rates at the other universities. This allows St. Thomas to increase tuition by 3% of the NB average (excluding St. Thomas) until 2017-18.

³ Nova Scotia offers students who are residents of the province a credit rebate on their tuition up to \$1,283; These rebates are not deducted from the tuition fees presented.

⁴ Mount Allison charges \$500 for tuition in the first year and \$250 in the second.
