Independent Auditor's Report

To the Members of Maritime Provinces Higher Education Commission

We have audited the accompanying financial statements of **Maritime Provinces Higher Education Commission**, which comprise the balance sheet as at March 31, 2014 and the statements of committed funds, revenue and expenditures – grants, revenue and expenditures – administration and cash flows for the year then ended, and the related notes, which comprise a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Maritime Provinces Higher Education Commission as at March 31, 2014 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Maritime Provinces Higher Education Commission

Notes to Financial Statements

For the year ended March 31, 2014

1 Content of these financial statements

In accordance with the Maritime Provinces Higher Education Commission Acts (Section 18, New Brunswick and Prince Edward Island; Section 19, Nova Scotia), the provinces have the option of paying grants to the institutions, either directly or through the Maritime Provinces Higher Education Commission (the "Commission" or "MPHEC"). Since the Province of Nova Scotia makes direct payments to Nova Scotia institutions, these financial statements include only the operating and capital grant payments to New Brunswick and Prince Edward Island institutions.

2 Significant accounting policies

These financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations ("ASNPO") as issued by the Canadian Accounting Standards Board.

Management estimates

The presentation of financial statements in conformity with ASNPO requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reported period. Actual results could differ from those reported.

Property, plant and equipment

The Commission expenses capital assets in the year of acquisition. Had the Commission capitalized and amortized its capital assets, its balance sheet would reflect office equipment and furniture, computer hardware and software and leasehold improvements with a net book value of approximately \$82,212 (2013 - \$72,873).

Pension plan

The Commission participates in the Pension Plan for Employees of the Council of Atlantic Premiers and Participating Employers. Pension expense is recognized when plan contributions are made or become due. During the year, the Commission recognized pension expenses of \$280,778 (2013 - \$270,668).

Financial instruments

The Commission is exposed to normal credit risk with respect to its amounts receivable. Provisions are maintained for potential credit losses and no such losses have been recognized to date. Management believes the Commission is not exposed to any significant credit risk and no provision for doubtful accounts has been recorded in the accounts.

3 Other receivables

Included in other receivables are government remittances receivable relating to HST and GST of \$23,402 (2013 - \$59,180).

4 Accounts payable and accrued liabilities

Included in accounts payable are government remittances payable relating to payroll of \$1,164 (2013 - \$1,080).

Maritime Provinces Higher Education Commission

Notes to Financial Statements

For the year ended March 31, 2014

5 Commitments

Office facilities

Future minimum annual lease commitments under a long-term lease for office facilities and office equipment are as follows:

	\$
Year ending March 31, 2015	89,793
2016	24,758

6 Other activities
