Figure 1: Regression analysis of undergraduate enrolment on tuition fees in Atlantic universities

Change in the number of full-time undergraduate students originally from the Maritime provinces (Canadians/Permanent residents) in 16 Atlantic Universities* between 2000-2001 and 2005-2006 and tuition fees in 2005-2006

\[ R^2 = 0.63 \]

\[ p < 0.001, n = 16 \]

*excludes the Atlantic School of Theology
