2:30 p.m. Roundtable Discussion III: *Reporting*

Traditionally the Commission has publicly reported measures/analysis at the regional/provincial level, and provided institutions with their own custom data/statistics which can be compared to the regional/provincial averages, and used internally for their own purposes. Participants will discuss the traditional reporting practices, and explore options for future reporting.

3:00 p.m. Reporting from the tables, wrap-up by facilitator of Roundtable Discussion III and closing remarks

3:30 p.m. Adjournment
